MY FRIENDS

I'm William. In my class, I have many Friends. We play together and do many different activities. All my friends have different skills. Paola and Victor like to dance. They dance wonderfully. Victor dances well but Paola dances really well. Joe plays the guitar; he normally plays the guitar on Friday when we have music class. He doesn't play the guitar fast because he is learning, so he plays the guitar really slow. Eliam and Claudia always sing when we have music class. Claudia sings well but Eliam sings extremely well. I don't sing very often, but sometimes I sing in the shower.
