

Dictado Navidad

Once upon a time, there was a girl who loved Christmas. Her name was Samantha. She liked to sing Christmas carols at any time and place. Her mother Ana used to decorate her house with different ornaments like candy canes, stockings, and wreaths. She herself did them. She always put many decorations on the Christmas tree and Alejo, her father, always put a yellow star at the top of it.

It was Christmas night. Samantha lit a candle and the fire place. The house was warm and ready to wait for Santa. It was midnight. Santa came on his sleigh with his reindeers. He was at the chimney with all the presents for Samantha. He went down and put the presents next to the Christmas tree and some others for Alejo and Ana inside the stockings, and then he left.

The next morning, Samantha woke up her parents and they all opened the presents together. They had a great Christmas time and they were very happy.
