

### THE SUNNY CAFE

Once upon a time, there was a restaurant called "The Sunny Cafe." It was a cozy place with colorful tables and friendly staff. Every day, people from the town came to enjoy delicious food. The chef, Maria, cooked tasty meals like hamburgers, salads, and pasta.

One sunny day, Sarah, a young girl, visited the cafe. She ordered a cheeseburger and fries. While waiting, she admired the paintings on the walls. Finally, her food arrived, and it looked scrumptious. Sarah took a big bite and smiled—it was the best burger she'd ever tasted!

After finishing her meal, Sarah paid the bill and left with a happy heart. She knew she would come back soon to try more dishes at The Sunny Cafe.
